secure, built in

OVERVIEW

An intelligent cash management solution for retail: it automates cash handling in store, reduces manual handling and improves team efficiency. A version for fuel stations and distribution chains adds multi-payment collection and central supervision.

Key functions

- Back-office cash management.
- Deposit to account.
- Note deposit and withdrawal.
- Cash recycling: 4 recycling cassettes + 1 deposit cassette.
- Multi-payment collection: bank cards, loyalty / private-label cards, vouchers / mobile, cash.
- Central supervision: real-time visibility, variance alerts, consolidated reports.

Technical specifications

Hopper capacity	300 notes
Escrow	300 notes
Speed	12 notes / second
Total capacity	up to 17,000 notes (4 recycling + 1 deposit)
Touch screen	15"
